Description

30310 Emerald Valley Parkway, Solon, OH

Employment Type: Full-time

Contract Type: Internship

Job Family: Administration

Experience Level (for career site): Student (Interns, Apprentices)

Company Description

██████████ is one of the largest distributors of electrical products, data communication, and related supplies in the United States. ██████████ operates its electrical distribution business in the United States through eight Regions that go to market under various banner and trade names, including ██████████. In addition to an online store, ██████████ has a distribution network of over 460 warehouse storefront locations throughout the U.S.

Job Description

The position of **Intern** will be based out of our **Solon , OH** location!

Summary:

The Intern participates in a professional internship program designed to provide on-the-job training and experience through a departmental rotation. Intern will engage in various work assignments, projects, and activities of varying complexity, structured to provide the necessary knowledge, skills, and abilities needed for a career in Electric Distribution. Receives training and mentorship in planning and completing activities and assignments. This is a fixed-term position, typically up to 4 months.

What You'll Do:

- Participate in programs that expand your knowledge of Electrical Distribution
 - Participate in a rotational program that gives you exposure to different departments
- Complete an Internship Project
- Interact with customers
- Learn about Electrical Products
- Proactively look for opportunities to bring value
- Perform other duties as assigned.

Job Duties Disclaimer:
