Our Vision : If you have been arrested for and charged with a crime in North Florida or in and around Tallahassee, you face a difficult situation. Unfortunately, the all-too-common reaction to such a situation is to allow fear and stress to govern your decision-making process. The attorneys at [REDACTED] are here to tell you through their years of experience that this is not how your situation should be handled.

Our Professional Association would like you to understand that the Constitution of the United States guarantees you certain rights as a defendant, and it is in your best interest to work with them in enforcing these rights.
