Description

Overview

If you're looking to hit the ground running, the Management Internship will help you build valuable business and leadership skills. For a university/college student, the real-world professional experience you'll receive during the internship will help you stand apart from the crowd, and will be more than just a line on your resume.

From day one as a paid intern with [REDACTED] you'll learn what it takes to run a successful business and acquire highly marketable skills in management. Our university/college interns take on the same challenges as our first and second year full-time professionals. It's a team-based environment; and throughout your internship, your peers will be right by your side helping you learn, grow and have fun.

This is a paid internship for Summer 2026 that will start in May 2026 and end in early August 2026. The rate of pay is \$18.00/hour based on a 40 hour work week.

This role will be located out of one of our Chicagoland or NW IN locations work location to be determined in the interview process.

Responsibilities

When you join our Management Internship Program, you'll soon discover that every day is different because it is filled with new, exciting, rewarding and often unexpected opportunities. For a season, we'll put you in the middle of everything, just like our Management Trainees. We'll give you the chance to develop the skills you need to manage a fleet of vehicles, take care of customers, develop marketing strategies and build relationships with customers and coworkers.

During our internship, you'll use the skills you learn to complete intern projects and engage in some friendly competition with your peers. You may also be eligible for performance incentives and employee referral rewards.
