Please review the following job description:

The [REDACTED] Internship provides college students with an 8-12 week working and immersion experience to sharpen their skills. During this internship, time is focused on summer long projects with other students and full-time, experienced teammates. Interns have the opportunity to network with other interns, teammates, and senior leaders. [REDACTED] interns sharpen the leadership, technical, and business skill they'll use for the rest of their careers. The internship program serves as a pipeline to our [REDACTED] full-time programs.

Corporate Overview :

At [REDACTED] our purpose is to inspire and build better lives and communities. Every day, the pursuit of better drives us-to empower clients with more choice, teammates with more fulfillment, and communities with more hope. We boldly believe in the power of what we can achieve together.

[REDACTED], together with Treasury Solutions and Truist Securities, comprise [REDACTED] Wholesale Banking Group, offering lending, capital markets and treasury management solutions to businesses, institutions, not-for-profit organizations and government entities. Founded more than 100 years ago, we offer large-firm capabilities in a boutique culture and value our vibrant workplace that reflects the diversity of the many communities we serve. We pride ourselves on the career development of our teammates. You'll work alongside senior-level management on real deals right from the start. We encourage and reward you to take an active role in helping our clients achieve their goals.

Summer Analyst Program Overview:

The Wholesale Credit Delivery summer analyst program will run for approximately 10 weeks in the summer months. The summer analyst program will consist of:

- Activities: Networking socials, case studies and presentations, team-building projects
- Executive Speaker Series: CEO, Wholesale Banking Senior Leaders, among others
- Community Service: Opportunities to participate in various volunteer initiatives are provided and involvement is strongly encouraged.

Competitive Summer Analysts will be eligible to receive an offer to return in full time positions as part of our Analyst program upon graduation.

Job Description :

The Wholesale Credit Delivery - Corporate & Leveraged Finance (WCD - CLF) team underwrites and manages the debt capital [REDACTED] commits to its corporate client base. WCD teammates work together with Corporate and Investment Bankers, Product Specialists, and Risk Managers to deliver capital and strategic ideas to the [REDACTED] client base. Post close of a debt funded transaction, WCD teammates lead the credit relationship with their clients and actively manage and monitor the credit profile and exposure levels across their portfolios.

The summer program will introduce Wholesale Credit Delivery summer analysts to [REDACTED], corporate finance and specifically, debt analysis. Summer analysts in this Wholesale Credit Delivery program will work with the Corporate & Leveraged Finance team, where they will get the opportunity to focus on the debt profiles of [REDACTED] Securities' clients and support Corporate and Investment Bankers, Product Specialists and Risk Managers to deliver strategic solutions to [REDACTED] clients. The CLF team analyzes companies' financial operating performance, evaluates industry trends and identifies key risks and mitigants of a client's credit profile against our lending parameters. CLF Summer Analysts will work on cash flow analyses and underwriting credits to sharpen financial analysis skills.

Location :

Wholesale Banking is headquartered in Atlanta, GA, with offices throughout the U.S. in cities including New York, Charlotte, Chicago, Dallas, Houston, Los Angeles, Memphis, Miami, Nashville, Orlando, Boston, San Francisco, and Washington D.C.

This position is specifically for Atlanta, GA.

Minimum Requirements :

- Completed junior year of a BA/BS degree with a scheduled graduation of December 2027 or May/June 2028.
- Overall GPA of 3.0
- Proven analytical ability and attention to detail.
- Solid leadership and interpersonal skills

- Superior written and oral communication skills
- Ability to work well in a fast-paced, team-oriented environment

Preferred Requirements :

- Business major
- Prior completion of Accounting or Finance coursework
- High degree of academic and extracurricular achievement
- Willingness to commit substantial time and energy to the program.

At this time, [REDACTED] will not sponsor an applicant for employment authorization, nor will we offer any immigration-related support for this position (including H-1B, F-1 OPT, F-1 STEM OPT, F-1 CPT, J-1, TN-1 or TN-2, E-3, or sponsorship for U.S. permanent residence.)

General Description of Available Benefits for Eligible Employees of [REDACTED] Financial Corporation: All regular teammates (not temporary or contingent workers) working 20 hours or more per week are eligible for benefits, though eligibility for specific benefits may be determined by the division of [REDACTED] offering the position. [REDACTED] offers medical, dental, vision, life insurance, disability, accidental death and dismemberment, tax-preferred savings accounts, and a 401k plan to teammates. Teammates also receive no less than 10 days of vacation (prorated based on date of hire and by full-time or part-time status) during their first year of employment, along with 10 sick days (also prorated), and paid holidays. For more details on [REDACTED] generous benefit plans, please visit our Benefits site [REDACTED]

. Depending on the position and division, this job may also be eligible for [REDACTED] defined benefit pension plan, restricted stock units, and/or a deferred compensation plan. As you advance through the hiring process, you will also learn more about the specific benefits available for any non-temporary position for which you apply, based on full-time or part-time status, position, and division of work.
