

Ishaan Example

Tallahassee, FL 32306 | ishaan.example@fsu.edu | (850) 555-2345 |

[linkedin.com/in/ishaanexample123](https://www.linkedin.com/in/ishaanexample123)

Work Authorization: Eligible for CPT/OPT (STEM Extension Available)

Education

Florida State University, Tallahassee, FL

Master of Science in Computer Science

Expected Graduation: May 2027

GPA: 3.9

Indian Institute of Technology, Hyderabad, India

Bachelor of Technology in Computer Science

Graduated: May 2025

GPA: 3.8 (Equivalent)

Skills

- **Technical:** C++, Java, AWS Cloud Practitioner Certified, Machine Learning (PyTorch/TensorFlow), $O(n \log n)$ Algorithm Optimization
- **Soft:** Multilingualism (English, Hindi, Telugu), Cross-Cultural Collaboration, Extreme Adaptability, High Resilience

Experience

Graduate Research Assistant, FSU Computer Science Department

August 2025 – Present

- Developed machine learning models using PyTorch for data analysis projects, optimizing algorithms to reduce processing time by 40%
- Collaborated on AWS-based cloud applications, deploying scalable solutions for research datasets

Software Development Intern, Tech Firm, Hyderabad, India

Summer 2024

- Built Java applications for enterprise systems, incorporating C++ for performance-critical components
- Contributed to algorithm optimization, improving efficiency in sorting and search functions

Personal Projects

Ongoing, 2023 – Present

- Created a TensorFlow-based recommendation system, hosted on AWS, with 500+ simulated users for testing
- Developed cross-platform apps demonstrating multilingual support

Activities & Honors

- AWS Cloud Practitioner Certification, 2025
- Member, FSU International Student Association
